Re: EDWARDS AQUIFER, Comal County
Project: **Tim Word Cellular Antenna Tower**, Located near the intersection of River Road and Loop 337, New Braunfels, Texas
Type: Technical Assistance Relating to a Water Pollution **Abatement Plan (WPAP)**, 30 Texas Administrative Code (TAC), §213.5(b)
Edwards Aquifer Protection Program File No. 1763.00

Dear Mr. Gill:

The Texas Natural Resource Conservation Commission (TNRCC) has completed its review of the request for technical assistance for the referenced project that you submitted to the San Antonio Regional Office on September 27, 2001.

Based on the information that was provided, the additional development on the site is a regulated activity as specified in 30 Texas Administrative Code 213. A site specific WPAP with a geologic assessment, and temporary and permanent best management practices (BMPs) located within a defined site will be required. The application fee will be based on the site area.

If you have any questions or require additional information, please contact Lynn M. Bumguardner at the Commission's San Antonio Regional Office (210)403-4023. Please reference project number 1763.00.

Sincerely,

A handwritten signature in black ink that reads "Bobby D. Caldwell".
